*Dear Michael*

Thank you for your letter dated 2 October 2009.

The points you have raised are very helpful and certainly provide clarification around the interpretation of statistics relating to domestic violence and sexual assault.

The consultation on our draft Strategic Action Plan has now ended and we are currently analysing the responses we have received. We will be amending the Plan before publication and in doing so will take careful account of the Note by the UK Statistics Authority.

Yours sincerely

**GILL MORGAN**
