Dear Sir Michael

Thank you for your letters of 6 January 2009 concerning notifications of assessment. I am replying to both of these letters together.

I formally make a request for assessment under section 12(1) of the Act in relation to the following statistics:

- National Child Measurement Programme;
- Statistics on Obesity, Physical Activity and Diet;
- NHS Referral to Treatment Waiting Times.

Your statements on the Assessment Programme helpfully indicate that you will discuss and agree the timings of these assessments, for which I am grateful. My officials will supply the appropriate contact details to your officials.

I do not now formally request an assessment of A&E statistics as my officials are reviewing these statistics. I will write again in 12 months once that is complete.

Yours sincerely
Alan
