Dear Exchequer Secretary

STATISTICS AND REGISTRATION SERVICE ACT 2007: NOTIFICATION IN RELATION TO PROJECTIONS OF INCOME TAX DISTRIBUTIONS IN *INCOME TAX LIABILITIES* STATISTICS PRODUCED BY HM REVENUE AND CUSTOMS

This letter is notification under section 16 of the above Act, which states that:

- (1) Where in the case of any official statistics other than statistics produced by the Board:
 - (a) the appropriate authority has not under section 12(1) requested the Board to assess and determine whether the Code of Practice for Statistics has been complied with, and
 - (b) the Board is of the view that it would be appropriate for it to do so, the Board must notify the appropriate authority accordingly.
- (2) Where the appropriate authority is a Minister of the Crown, the Board must lay a copy of its notification under subsection (1) before Parliament.

I understand that you are the appropriate authority for the above statistics produced by HM Revenue and Customs (HMRC) as the Departmental Minister for HMRC. These statistics are not currently designated as National Statistics and are not therefore subject to formal assessment against the Code of Practice.

I am writing to let you know that we are of the view that the above statistics should be assessed against the Code with a view to designation. In accordance with subsections (3) to (5) of section 16 of the Act, I would be grateful if you could now provide me with one of the following:

- a statement that you intend to make a request for assessment under section 12(1), including a timetable for making the request; or
- a statement that you do not intend making such a request, giving your reasons.

A copy of this notification is being laid before Parliament in accordance with section 16(2) above. Section 16(3) of the Act requires that a copy of your statement in response to this notification should also be laid before Parliament.

Yours sincerely

Sir Michael Scholar KCB
