29 September 2020

Dear Stephanie

COVID-19 Infection Survey Results Publication Time

Earlier in the year we granted ONS an exemption from the Code of Practice for Statistics' standard publication time of 9.30am to permit a later release time of noon each Friday for statistics from the COVID-19 infection survey. I am happy to confirm that the same exemption applies to the statistics for Wales from this survey that you publish.

Yours sincerely

Ed Humpherson
Director General for Regulation
