Dear Mr Humpherson,

Thank you for your letter dated 10 May 2021 in which you updated me of the publication of your findings concerning the population estimates and projections produced by the Office for National Statistics (ONS). We note that ONS is expected to report back in July 2021 and we eagerly await the outcome of that. In the meantime, we hope that ONS will work with us as you have suggested and will write to them separately to offer any assistance and cooperation they may need.

Yours sincerely

**Dawn Hudd**  
Strategic Services Director
