Dear Rachel,

Thank you for your letter of 22 June 2022 requesting an alternative release time for ONS's UK Trust in Government Survey report.

Releasing the full UK results at the same time as the OECD report on its survey on the [Drivers of Trust in Public Institutions](#) from across 22 OECD countries, will provide interested users with greater access and additional insights into the results for the UK. I am happy to approve your request to release this report at 1300.

Please ensure that the time of release is made public and that the reasons for the alternative release time are clearly outlined.

Yours sincerely

Ed Humpherson
Director General for Regulation
