

Oonagh Smyth to Ed Humpherson:

Request for OSR assessment of Skills for Care's '*The workforce employed by adult social services departments in England*' report

20 February 2024

Dear Ed,

We have been talking to your team in the Office for Statistics Regulation regarding the badging of our annual publication: '[The workforce employed by adult social services departments in England](#)' report.

In accordance with Section 12(1) of the Statistics and Registration Act 2007, we would welcome a full assessment of these statistics given the continued high profile of their releases. We recently published this year's report and the accompanying reference tables so this will also be a good opportunity for Skills for Care to receive feedback from OSR.

We would be grateful if you could consider this request. We are copying this letter to our Workforce Intelligence team who are ready to pick up the next steps with the OSR team.

Yours sincerely,

Oonagh Smyth
CEO
Skills for Care
